Contractor Direct Rebate Option Enrollment Application For Residential Turf Rebates

Participation Requirements

Participating contractors must adhere to all of the following requirements:

- Maintain either an active general contractor's license or an active contractor license covering the type of work required to install the qualified measures eligible for rebates through the Save Our Water Turf Rebate Program.
- Be in business for a minimum of 3 years
- Maintain active Commercial General Liability and California Statutory Workers' Compensation Insurance
- Submit a completed and signed IRS Form W-9.
- Have a satisfactory or better rating with the Better Business Bureau.
- Update company enrollment information annually. You may be dropped from the program should any company information included on the Contractor Direct Rebate Enrollment Application or on file be found incorrect or invalid.

Terms & Conditions

1. Contractors participating in the Contractor Direct Rebate Option will be issued an IRS Form 1099 for total rebates and incentives received in excess of \$600 in a calendar year, unless the company is exempt. The Department of Water Resources is not responsible for any taxes imposed upon Contractor's business as a result of receipt of rebates.
2. All Save Our Water Turf Rebate Program applications are subject to inspection and verification. DWR reserves the right to contact any customer regarding any application.
3. In order to receive payment directly the rebate application must be accompanied by a signed Contractor Direct Rebate Option Customer Release Form acknowledging customer authorization to release their rebate to the contractor, and a signed proposal or bid showing an active agreement with the customer to complete the turf replacement project.
4. Contractor acknowledges and agrees that participation in the Contractor Direct Rebate Option is at DWR's sole discretion. DWR reserves the right without limitation to deny companies enrollment or re-enrollment in the program.
5. Contractor agrees to act and represent its business as an independent contractor and at no time will Contractor or any of the Contractor's employees represent its business as an employee, agent, partner or representative of DWR or the Save Our Water Turf Rebate Program. Contractor has no right or power to bind DWR or act on its behalf when dealing with customers or third parties.
6. Contractor understands that DWR is not endorsing Contractor's business, or warranting or endorsing any equipment that may be sold by the Contractor. Under no circumstances shall DWR be liable to the Contractor for any direct or indirect losses, costs or damages arising from or related to any equipment or installation under the Program.
7. Contractor's participation in the Contractor Direct Rebate Option and provision of the rebate is voluntary and at the sole discretion and risk of the Contractor. The provision of work or services to the customer does not guarantee payment of a rebate to the contractor by DWR or the Save Our Water Turf Rebate Program.
8. Funds are limited and contractors may receive direct payments only for applications associated with confirmed reservations, which shall be processed on a first-come, first-served basis.
9. DWR reserves the right to drop any Contractor from the Contractor Direct Rebate Option for reasonable cause and determination of reasonable cause is within the sole discretion of the Program. The Contractor Direct Rebate Option is subject to change and may end without advanced notice.
10. The Save Our Water Turf Rebate Program is subject to change and may end without advanced notice.
